### **TTC - Video**

I hope that this email finds you well.

I am very excited to reveal to you our latest initiative, which is a series of videos that we commissioned to showcase TTC as well as include a number of our members and their ministries.

Currently we have launched 3 main videos on youtube, which are all linked on our facebook page [www.facebook.com/ttcinsurance](http://www.facebook.com/ttcinsurance). These will also be available through our main website. Over the next few weeks we also hope to release several more videos.

I hope that you will take some time to take a look and even share these with your friends and supporters to help us raise our profile in the mission community. Some of the best ways to do this will be to like, share or comment on the videos on our facebook page, or send people the direct links to the videos.

I hope that you enjoy viewing the videos.

Blessings, Nathan Lyon
